Course outline

- Legislation and guidance
- BS 5839-6:2019+A1:2020 (Grades and Categories)
- Design
- Installation
- Commissioning
- Maintenance
- Certification
- Documentation

This course includes an end of session assessment

What do I need to have with me?

- A device (such as a phone or tablet) designed to run mobile applications

Assessment body

Next steps

Fire Detection & Fire Alarm Systems - Unit 2 Design
Fire Detection & Fire Alarm Systems - Unit 3 Installation
Fire Detection & Fire Alarm Systems - Unit 4 Commissioning
Fire Detection & Fire Alarm Systems - Unit 5 Maintenance
Emergency Lighting - Unit 1 Fundamental

Why train with us?

We provide:

- Training only ever delivered by subject matter experts
- High quality training materials
- Confidence that your training comes from a business with a wealth of industry and technical experience built up over 60 years
- Support throughout to ensure your full understanding across all aspects of the training
